Subject: UPDATE: Wyoming - November 2013 Completion Notifications; Ultra Resources, Inc.

Dear EPA Region 8:

The anticipated completion dates in November have changed (please see table below). AECOM Technical Services is submitting completion notifications on behalf of Ultra Resources, Inc. (Ultra) per the notification requirements listed in 40 CFR §60.5420(a)(2)(i). Please note that there are no new well completion locations, only the anticipated dates have changed.

Operator Contact:

Ms. Cally McKee
Manager, Environmental and Regulatory
304 Inverness Way South, Suite 295
Englewood, CO 80112
(303) 645-9843
cmckee@ultrapetroleum.com

Required Completion Information for the State of Wyoming:
